David Ollero Montes

Senior SAP Fiori/UI5 Developer | SAP S/4HANA | RAP | CDS Views
| ABAP OO

PROFESSIONAL PROFILE

Computer Engineer with over 10 years of experience in SAP technologies, specialised in developing SAP Fiori and SAPUI5 applications for national and international clients.

Throughout my career I have participated in SAP ECC and SAP S/4HANA projects, delivering modern solutions based on SAP Fiori, Fiori Elements, RAP (RESTful ABAP Programming Model), CDS Views, OData and ABAP OO. My focus is on building scalable, maintainable applications aligned with SAP best practices, including Clean Core principles and standard extensibility.

I stand out for my analytical skills, problem-solving ability, technical quality orientation and collaboration with multidisciplinary teams. I also enjoy sharing knowledge and supporting the technical growth of other developers.
